

**WHITE-WORK CARD** ( Anneke Oostmeijer Copyright nr.1109 Author - Illustrator - Registered Pergamano Teacher)

**You will need:**

Regular parchment paper, Insert parchment paper in your own chosen colour, Tinta white (01T), Tinta Gold (22T), White pencil, Embossing tools, 1 needle tool,, 2 needle tool

**Trace:**

First the middle part on the front, then the side parts on the back.

White pencil: folding lines

Tinta white(01T): flowers and top leaves

Tinta gold (22T): double outer lines back page, motives B stem and curly motives.

**Embossing:**

Back page: Between the outer lines , shadow embossing part of the flowers and top leaves

Motives B and stem: light embossed. Side parts: Folding lines, part of the curly motives and flowers (shadow embossing)

**Stippling**

With the 1-naalds tool: motives B.

**Perforating**

With the 2 needle tool: parts A as in pattern; all the outer lines.

**Cutting**

Cut the parts A.

**Finishing:**

Put insert parchment paper (in your own chosen colour) with tape into the card.

Perforate with the 2-needle top, bottom and back page.

Then cut all the perforating and put the insert with spray glue in the card and fold it together

**Good Luck**
