

Floral Card.

General

The outer card is made of ordinary parchment paper. An insert sheet made of fantasy parchment paper moss green (code 6160) is attached inside the outer card.

Tracing

White pencil: Fold line, flowers.

Painting

Pintura green (21305) + tip yellow (21303): leaves. Pintura green (21305): stalks, twigs curl.
Pintura yellow (21303) + tip brown (21307): flowers hearts. Pintura brown (21307): little dots on flowerhearts

Perforating shallow

With the 4-needle perforation tool, according to the pattern.

Embossing

Motifs between the perforations. Flowers, flower hearts + leaves: very light.

Perforating deep

With the 4-needle perforating tool, again according to the perforation pattern.

Cutting

Cut **perforations A along the outer perforations**.

Cut 4-needle perforations into crosses and slots.

Finishing

Attach an insert sheet made of fantasy parchment paper moss green inside the card, with spray glue.
Fold the card and perforate the outline shallow with perforating tool 2-needle (through 3 layers). Perforate with perforating tool 1-needle a second time, deep this time (through 3 layers). Cut the outlines out along these perforations.

Success!
